VACCINATIONS

All boarders must be current on vaccinations in order to board. We require Rabies, Distemper, Leptospirosis, Influenza, Bordetella (done within the last 6 months) and a Fecal (done within the last 6 months). If vaccinations are given elsewhere, please provide our receptionist with updated vaccination records before check-in.

BOARDING POLICY AND RELEASE FORM

VACCINATIONS: All boarders must have current vaccinations (per our clinic's protocols) in order to board. For dogs this includes bordetella and a fecal test completed in the past 6 months, DHPP, rabies, leptospirosis and a bivalent influenza vaccination. For cats, this includes FVRCP, annual fecal test and rabies. If vaccinations are done elsewhere, it is the owner's responsibility to provide a copy of pet's records 24 hours before check-in.

FLEAS/TICKS: To remain a flea and tick free environment, any pets entering our facility with these parasites will be treated at the owner's expense.

MEDICATIONS There is a daily \$6.60 charge for the administration of any medications. All medicines must be given to our staff at check-in with detailed instructions for administration. We request that all medications be left in their original containers.

FEEDING: We feed Hills Science Diet Sensitive Skin & Stomach diet for canine and feline guests. Any special diets must be provided by the owner.

SUPPLIES/TOYS: All necessary supplies for boarding are provided. Personal items may be brought, but we are not responsible for lost or damaged items.

UPPER RESPIRATORY INFECTION/INFLUENZA POLICY: ANY pet who begins to show symptoms of an upper respiratory infection will be immediately transferred to isolation and the owners notified. Once notified, you can choose to pursue treatment or have someone pick them up early. If they stay in our care, they will board in in isolation- **they will not be allowed to go outside** and you will be charged \$51.50/night (includes additional cleaning & sanitation, nurse care/monitoring and medication fees).

****Be aware, if your pet(s) is receiving their first influenza vaccine or has a monovalent vaccine at the time of boarding they will not be fully protected against the virus. Full protection only occurs after 2 injections have been received a minimum of 14 days apart with a 10 day waiting period after the final injection****

AGGRESSIVE DOG POLICY: If your dog shows any overt aggression to staff at the time of drop-off or at any time during the boarding stay, your pet **MUST** be on oral sedatives for the duration of their stay. Severity of behavior and the need for medication will be assessed and determined by the doctors and staff. If this becomes necessary, you will have to designate an emergency back-up who will be able to come pick-up your pet at any time. If this occurs after you have left the building you will be notified of the situation by a doctor.

EMERGENCY TREATMENT: In rare cases, emergency treatment may be needed for your pet while boarding. In the event your pet needs treatment, we will try our best to contact you with the emergency numbers you provide. Should we be unable to reach you, your signature below authorizes life saving measures as decided by the doctor on site until contact with you is made, and acknowledges your financial responsibility for any resulting charges. It is the owner's responsibility to inform us any medical conditions that warrant extra care.

I agree to hold harmless any and all persons who might assist in the care of my pet, or from any claim or damages and/or injuries to my pet and property. I further release them from any liability or responsibility for any accident, injury, or illness to my pet while boarding.

In the event my pet becomes ill or is injured during his/her visit, I hereby authorize any emergency treatment and/or administration of medication deemed necessary by the attending veterinarian. I understand this may include anesthesia. I understand the cost of treating my pet is a lawful debt. Therefore, I agree to pay any costs associated with today's procedure. Should I fail to pay at the time of discharge, I acknowledge that I am responsible for any collection agency fees (33.33%), attorney fees, and any court costs acquired due to the pursuit of payment. I allow Taylor Crossing Animal Hospital and/or its agents to contact using any means I have provided on my account, including phone calls, text messages and emails, with the understanding they may be automated or artificial voice recordings.

I have also read and understand the boarding policies at Taylor Crossing Animal Hospital and agree to comply.
