Daycare Attendance Packages

We will have “Open Enrollment” during the month of December for attendance the following year. During that time you **MUST** return your Enrollment Waiver to the receptionists. If you fail to do so, your pet will no longer be allowed to attend daycare.

- After evaluating attendance, we have **removed** the daycare waitlist, but retain the right to reinstate it at our own prerogative. If your pet is not signed up for daycare at the time of reinstatement, you will no longer be able to attend without being placed on the waitlist.
- You may change your package SIX times within the calendar year.
- There will be a registration fee due on the first Friday after sign-up and then annually with our re-enrollment process in December/January. The first pet’s fee is \$40 and any additional pet is \$30. Registration fees will not be prorated to account for mid-year sign-ups.

Package Rates

- Two days at \$44/week (\$22/day)*
- Three days at \$66/week (\$22/day)*
- Four days at \$88/week (\$22/day)*
- Five days at \$96/week (\$22/day, with discount on the 5th day)*

***If you do not attend your allotted days you will still be charged the package rate and any extra days will incur an additional \$26/day fee.**

Package Details

- Packages can’t be split between pets or weeks. Each pet must have an attendance package waiver.
- You are not committing to any particular days of the week, just the number of days per week.
- Daycare While Boarding – Not a package option
 - **Boarding in a Run/Small Dog**- If you want to do daycare for more days than your package allows, you will be charged your package fee plus \$22 for each additional day(s), NOT \$26, as in a regular week
 - **Boarding in a Suite**- Daycare is still included in a Suite. Package rates will be waived, UNLESS you attend daycare outside of the boarding stay, in which case your daycare fee will be prorated.
- Holiday Closures
 - If we close daycare for holidays, package rates will be prorated for the week. You will only be charged for the days you attend.
- Swim Time - Can be added to any day of daycare for \$5 extra per day

Pausing Daycare

- If your pet is unable to attend for 2 weeks or longer and you need to **PAUSE** daycare, you can change your pet to a “Paused” status. This is **NOT** available as a regular attendance option- it can only be used to hold your pet’s place in our daycare program if you need to halt attendance for a set period of time.
- If you bring your pet(s) while their package is paused, there will be a \$26 charge per day attended.
